Notes: LRW's bond covenants stipulate that it may issue debt as long as certain conditions are met. The major criterion is that the net earnings of the system must be at least 1.2 times the year's average combined debt service requirement.

See Notes to the Financial Section #7 - Long-Term Debt for more information.

<sup>a</sup>The yearly total amount includes only that portion of debt that has been borrowed up to year end and not total loan amount on any non-completed project for which the loan is associated with.
